### *Additional Events in the Nutter Center*

There are several events taking place in the Nutter Center, please be sensitive to other guest(s) in building.

## **TRAINER ON DUTY**

A certified athletic trainer will be on site both days between the hours of 900 AM and 400 PM. Their purpose is to address any serious illnesses or injuries that may occur during the dance rally, they are not responsible for routine wrapping of ankles and wrists. Please inform your participant(s) to bring any preventive knee and/or ankle braces with them to the rally.

## **LUNCH & SNACKS**

One hour will be allotted each day for lunch along with several short breaks. Please PLAN accordingly if you are purchasing fast food from the local fast food restaurants. You may want to send a representative to get the food 30-40 minutes prior to the lunch break. We will have tables and chairs set up for everyone to eat their lunch. Please be sure all participants have a water bottle and snacks on hand. The vending machines will become empty quickly. Any money lost in the vending machine is not the responsibility of the rally host. Use them at your OWN RISK!

## **TENTATIVE MASTER CLASS SCHEDULES**

The tentative master class schedule provides a listing of the class offerings that will occur throughout each dance day. Keep in mind, the times and classes listed are tentative and subject to adjustment. We want everyone to have a super time and this allows us to further customize your experience.

**Adjustments:** During the Coaches / POC segments, the staff will ask for feedback. Please feel free to provide your honest opinion to assist the staff in adjusting throughout the rally. It's always nice to adjust as requested to ensure all dancers leave the rally feeling like they had a BLAST and learned some "cool" material. The Rally Coordinators will be onsite and can assist you with your needs.
